COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 15-187

Judge:

Complainant:

ORDER

The complainant alleged a superior court judge improperly removed him as a juror, improperly ruled against him in a civil case, and is not appropriately supervising the adult probation department.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.
