Disposition of Complaint 15-198

Judge:

Complainant:

ORDER

The complainant alleged a superior court judge made improper rulings in a family law case, was prejudiced against him, engaged in improper ex parte communications, failed to pay attention during court proceedings, failed to timely act on pleadings before the court, and made offensive statements during a hearing.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

First off I would like to say that I realize the functions of this committee are not one that one could consider to be an easy duty. I would also like to also state for not one moment that I believe being a Judge is an easy task. What I want to touch upon are the behaviors of Judge _____ that for no uncertain terms "_____".

On _____ I found out that my _____ was residing with a registered sex offender. Judge _____ not only did not show patience but totally disregarding my motion for her own interest.(Please see exhibit A).

Exhibit A is a Motion for PRE-DECREE TEMPORARY ORDERS WITHOUT NOTICE FOR LEGAL DECISION MAKING AND PHYSICAL CUSTODY. This was stamped _____.

Please move to page 5. Under the section **I MAKE THE FOLLOWING REQUEST TO THE COURT:**

1. For a "Temporary Order Without Notice"

I checked or placed an "X" next to Award me Temporary Legal Decision Making and Physical Custody of the minor Child(ren) until a full court hearing.

Judge _____ in her haste to get this case taken care of totally disregarded the motion that was filed please review audio marked **exhibit B**. She clearly had her own agenda regardless of the law and the facts.

If look at **exhibit C** this shows a bit of manipulation of the facts again.

I would like to also bring to the attention _____ (please review attached audio) Please acknowledge the tone of Judge _____ during these proceedings. Judge _____ was observed stating "_____ " Petitioner was not there to inforce any restriction- petitioner was there to get his _____ out of this environment.

Judge _____ during this session even with knowledge that a sex offender was present- even went

to great lengths to further violate petitioners rights by protecting the address of

(please see exhibit D)

(Author would like to note that at this time and no time after is there any order preventing Petitioner from having access to child nor address. Judge is clearly showing bias and prejudice at his point).

(The author would like to add it is clear that Judge had her mind made up prior to hearing even one word of evidence. This can be observed by how she missed very valuable cues that Petitioner was mentioning and the inaccuracies of the Respondent.)

Author would like to also clearly add this “ ” and solely about behavior of Judge

Judge ; mind is made up-child belongs with “ ” this has been her stance from day 1 contrary of the facts and the law. I would like to bring one important issue to mind- again this not about the ruling. A Judge is asked to be open minded and Objective.

Please look see P.6 or parenting conference part D. **(Exhibit C)**

Author must ask why was there a court date for

The author can answer this for the committee. Judge doesn't care about fact nor law she simply cares about her views and opinions – that is all that matters! Petitioner has made Judge aware of. Sex offender on at least different occasions.

Please review **exhibit E**

****Author would like to be clear this is not about the outcome-notice Judge typing in the background and not paying attention.

Judge again on denied Petitioner his rights and showed bias. Please review **Exhibit F** audio files from
