**ORDER**

The complainant alleged four superior court commissioners violated his constitutional rights in a criminal proceeding.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioners engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the commissioners' rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the commissioners did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety as to all four commissioners, pursuant to Rules 16(a) and 23(a).

Dated: October 5, 2016
