**ORDER**

The complainant alleged a superior court judge did not allow him to be heard, discriminated against him, and made improper rulings in a family law matter.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

I hired Attorney to present my case in professional and fair manner. disappointed me when appearing at Court never presented my case by talking in my behalf and present all the evidence. I had to show to the judge she refused to present my evidence regarding the case. also gave my documents and disclosed any confidential information to my lawyer. It seems like and working together against my case. I hired for a reason to submit and present my case professionally and not to disclose any information to anyone unless to the judge only.

On support total of \$1000. I appeared to court to pay the child support. Cash and the rest was supposed to be paid by credit card. I informed the lawyer and the judge I have the money in my pocket and they refused to take my payment and then from no where I see two officers putting handcuffs on my wrist and took me to the back. I was confused why that occurred and why am I arrested for they said I failed to pay child support which it doesn't make sense to me or anyone if I had the money for child support.

On office to submitted my evidence 3 days before the court date. I submitted all the evidence that date to be ready for court on the day of court. I believe that the judge looked at my evidence I submitted.

Judge never gave me a chance to explain my concern and let ~~me~~ me say anything regarding my case. The Judge thought I was a joke due to my accent and language I felt discriminated and disappointed I also felt retaliation of what occurred due to the Judge and actions. They were ~~to~~ extremely unprofessional. He only gave Lawyer to explain and show all the evidence. Also my interpreter informed me everyone is against you.
