COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 18-047

Judge:

Complainant:

ORDER

The complainant alleged a superior court judge failed to uphold the law and is corrupt.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Complainant's request to appear before the commission is also denied. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission on ethnics

Please review motion that went
in last to
to set aside Judgement and recuse herself for fraud
on the Court under rule 85 which has a statute
of limitations of 1 year. One year is coming up
in the and as you will clearly
see in my motion continues to
refuse to uphold The Law, statutes and rules
and do her job. She furthermore continues
to put the judicial systems machinery in
major question and disrupt with corruption

and misconduct when she withheld this motion from being posted publicly in the courts system and when she refused herself without setting aside judgement for fraud upon the court before recusing herself. And as you will see in the motion commits fraud and forgery to not have to set aside judgement. And I am asking the Commission to forward along to for charges of forgery, custodial interference, kidnapping, defamation of character and major judicial misconduct and corruption.

The last two years of my life have been a living nightmare that was preventable, should of never happened that has caused many mental and physical trauma and health concerns from the constant harassment and abuse from

 "I didn't do one thing wrong in my divorce and these woman's behavior is unacceptable at every level there is. When I now fear my life's safety all because I'm sticking up for my rights and holding people accountable

I haven't had a sleepover with my children in over a year. As if that's not bad. These women continue to keep my children in a abusive home of my ex husband.

I want an emergency hearing for evidentiary reasons please. This will go to Chief Justice Judge as well. There will be a tort claim suit against the state as well.

Thank You
