Judge _____ issued a statement about recovery property that belonged to me as an inclusion with an order to prevent me from going to the address _____ the exception stated was for a one time appearance with a police escort to retrieve property an alleged victim, _____ who voluntarily said she had things that belonged to me " _____ . She did not say her home was _____ while I was present or before the court.

The supposed victim did not tell Judge _____ that _____ claims to have stolen well over \$ _____ worth of my necessary for employment property because she decided I was evicted from my home at _____

And since that time, _____ has only refused--by gross evasiveness and deliberate harassment--to allow me any legitimate opportunity to recover my selfemployment property.

_____ the grand theft occurred was after _____ other equally " _____ (grossly decayed) individuals and _____ broke into my garage at _____ ; her terminally ill _____ allegedly armed with handgun at that time--is overtly hostile towards me. Both _____ and their criminal cohorts believe accusing me of assault entitles them to grand theft larceny and/or murdering me by infliction of gross depravation in order to steal undue reward. And apparently, so does _____ or Pro Tem _____

The police reports declare no probable cause: _____ had been to a dentist and had an ice pack for a small bruise on her lip or nothing to do with me. She stalked me at a _____ to tell me all she was willing to allow me to have of the things she stole from my home was a _____ pink vest, one pair of _____ leggings and some cosmetics she took without my permission from my home. _____ said today: to recover my property, I would have to file a civil suit in a different court because _____ -despite the public website information declaring injunctive relief cases are indeed processed by that court--did not process cases for injunctive relief. Or to retrieve my property _____ and the _____ other alleged victims blatantly say they stole from me, I need to file a civil suit. It is a strange concept: file a civil suit to force thieves to return stolen property?!
