**ORDER**

The complainant alleged a superior court judge was biased against her, engaged in improper demeanor, and made improper rulings in a family law matter.

The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. behavior was so out of line and disturbing

supposed to represent the justice  
system? She treated me like I was in  
a criminal case and being convicted of  
MURDER! I ASK the commissioners to please  
watch and listen to the digital copy of the  
proceedings. She was even laughing &  
my ex husband made a comment and she  
and him were agreeing and ~~was~~ insulting  
me. She kept making comments and dis-  
criminating me because of being poor and indigent!  
Her demand was so abusive I couldn't properly communicate  
to her because I was so upset!
