

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 18-138

Judges:

Complainant:

ORDER

The complainant alleged a superior court judge and a justice of the peace violated his constitutional rights. The complaint also contained allegations of misconduct by individuals over whom the commission lacks jurisdiction.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judges engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judges' rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judges did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member Anna Mary Glaab did not participate in the consideration of this matter.
