COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 18-233

Judges:

Complainant:

ORDER

The complainant alleged that two municipal court commissioners issued improper decisions where one relied in part on perjury and where the other failed to give due consideration to her arguments.

The responsibility of the Commission on Judicial Conduct is to impartially determine if a judicial officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of a judicial officer's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officers did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member Roger D. Barton did not participate in the consideration of this matter.
