COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 18-240

Judges:

Complainant:

ORDER

The complainant alleged two superior court judges violated his constitutional right to counsel in a criminal matter.

The responsibility of the Commission on Judicial Conduct is to impartially determine if a judicial officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of a judicial officer's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officers did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

First and foremost I would like to thank you for Your Service to the People of this State.

My name is _____

I am a Resident of _____ and _____

The Purpose of this Letter is a cry for Justice and Due Process. I have Been incarcerated In the _____ for Nearly _____ Without an Evidentiary hearing. Several of my Civil Rights, Rule 8 statutes, and Laws have Been Violated By the Courts, Prosecution, and The Detention Facility of this county.

Please Lend Me Your Ear and open Your Heart as I Explain My Situation ...

On _____ I was arrested By _____ Police. I was arraigned soon After in Judge _____ court Room. During That arraignment the Judge Deemed me To Be indigent and Appointed Me counsel from The Public Defenders office. I was then fortunate Enough To Receive Private counsel Paid for By _____ My counsel, soon After, Removed herself Due To a Conflict of interest. Again _____ Hired _____ out of _____ We soon After had A Conflict of interest and at my Next hearing He Went On Record Stating his Removal From my case And That"

This statement went without notice By The Court.
At my next court Appearance Judge
Notified me of a " " to Judge
Court Room Due to the complexity of my Case.

upon moving To the new court Room Judge
Appointed from the Public
Defenders Office. Things started to Pick up and
Were moving along, as we set for an
Evidentiary Hearing Took Leave
And Passed my case To from
His Office. Again, as Soon as I came close
To my Evidentiary Hearing My Counsel found
Reason To Remove Himself.

I then Became Frustrated with all of These
Delays in my Due Process and had written A
Letter to the court, Requesting That My 6th
Amendment Be Exercised. I followed instructions
From the Jail Staff in sending The Letter
Via "certified Mail." Once I gave the Letter
Legal Mail to the officer to Be Sent to the
court, it was Thrown away or "Lost" is The
Term that they used. I then filed a grievance
Only to be Denied and Later ignored when
I Requested Several Appeals.

After Removed Himself I was asking
 For Counsel to Be Appointed By the court.
 The Prosecution Presented Evidence in the form of
 A Financial Bank Statement Dating Back To
 , That was Obtained During The
 Preliminary Search of the Residence. Judge
moved with the Prosecution's Evidence
 And Denied me Counsel. He Also Requested
 That the Prosecution "

."

ABout a Month later the Prosecution had a
 New Piece of Evidence in The form of a
 Financial Bank Statement Dated .
 Judge again Denied Me counsel and
 Accepted The New Evidence as a True
 Document. It is to my understanding That
 A Federal Warrent would have To be Granted
 In Order To OBtain any Financial Record or
 Statement From a .
 Thus, Making The new evidence that was
 Submitted By the Prosecution False and/or Fictitious.
 Due to these events occuring I am Lead to Believe the Prosecu-
 tion not only committed A crime But, Malitiously Deprived me
 Of my 6th Amendment By falsifing Documentation To
 Misslead the court in the Appointing of my counsel, in
 Order To keep from an Evidentuary Hearing
 And/or Trial. Further More

I was in disscussion with Judge _____ in Refferance To me Filing A _____ civil rights complaint Due to the court Violating My 6Th Amendment Rights, Other Statues and laws when Judge _____ Stated That"

" I Did not under stand what He Ment untill a Few Days later when A Psychiatric Doctor showed up To the Jail with a court order To see Me. I Promptly ReFused. All of these events And Occurances can Be Proven with Evidence And Minutes within the court's Recordings To Assure Accuracy.

I have Been Put in a Bad Place and need Help From The Higher Authority Due to the situation at hand. I under stand that court Proceedings can be Long Drawn out Processes that are Very stress induced And Disheartening. There is No Real way To express The Feeling that I Feel going Through This. The Closest would Be as if Being Traped in a Sinking Ship with the water Level so high That.. This is My Last Breath...
