Disposition of Complaint 18-249

Judge:

Complainant:

ORDER

The complainant alleged a superior court judge failed to follow the law in a child support proceeding.

The responsibility of the Commission on Judicial Conduct is to impartially determine if a judicial officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of a judicial officer's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officer did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

COMPLAINT AGAINST A JUDGE

Name: _____ Judge's Name: _____

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

_____ as well as _____ and Judge _____ were all actually provided copies of Chapter 13 Bankruptcy filing Ms. _____ in violation of the automatic stay provided by Federal Court, filed on _____ a Petition for Contempt. Additionally, this Petition was not served on me. Further, Ms. _____ filed additional Petitions which were not served on me.

According to SUPERIOR COURT OF _____ there are very specific means for service. Allow me to list those, as it is not clear to Commissioner or Ms. _____ what methods are allowed:

1. Service by Acceptance
2. Service by Registered Process Server
3. Service by Sheriff
4. Service by Mail or National Courier Service-Service by this method is only effective if the return receipt or signature confirmation is signed by the party receiving the service
5. Service of Summons to Incarcerated Person
6. Other Methods- Public Notice/Public Advertisement Circulation

This is the law, as publicly advised to all _____ Court parties? The _____ would not publicly hold out unfactual procedures for Service? I was not served. I was not served. I was not served. My rights have been violated. And yet the Court proceeds with punishment and enforcement as though all laws are complied with. Additionally, a Petition for contempt filed by Ms. _____ and enforced by _____ violates Federal Bankruptcy Laws.

Because of Ms. _____ violations and _____ failure to uphold the law, I must seek additional protections afforded to me by Federal Law. My rights are violated and it is abundantly clear the Court is prejudiced and harassing to such a degree that _____ would directly violate the law and my rights in order to punish me.

This is my first complaint with respect to _____ With respect to my interactions with your Organization and _____ I have repeatedly noted that Ms. _____ and _____ are harassing and will take any unethical means to harm me and my children.

What has to occur before you can realize this? If I were physically harmed or killed due to the aggressive actions of _____ which are exacerbated and put into requests for legal orders by Ms. _____ and enacted by your Judges, your liability would be enormous. Similarly, I believe your liability is as enormous and difficult when emotional harassment and attempts at physical separation from my children and the harshest punishment Ms. _____ can obtain from a Judge or commissioner is ongoing and severe.

The embarrassment, harassment and prejudice so severe that I am unable to quantify the economic devastation you have directly caused me and my children, nor the emotional damages my children live with.
