COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 18-256

Judge:

Complainants:

ORDER

The complainants alleged a superior court judge delayed a ruling on a child support matter, showed favoritism to the opposing party, and failed to afford them an opportunity to be heard.

The responsibility of the Commission on Judicial Conduct is to impartially determine if a judicial officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of a judicial officer's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officer did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member Roger D. Barton did not participate in the consideration of this matter.

, my ex spouse settlement with custody and child support modification. Judge has been our Judge for . I have more than one issue with this Judge that I would like to address but I will first address the one. In my lawyer, , created an official court document of child support and custody arrangements . my ex souse, signed this document as well as I and my lawyer submitted it to the of the Court a. My lawyer and I have been waiting for my child support to be increased on a basis, but it never has. My ex spouse has reached out to me through my children over the phone asking about the extra child support that is allotted to her. For I did not know what the reason was to why the did not move further with the document. I asked my lawyer as soon as my ex spouse asked me why she has not been receiving this child support, and my lawyer did all the correct steps I received a certified letter from to submit the signed document. In petitioning to modify child support because se has not received the correct amount and the way the judge has set up visitation, I have not been able to visit my children in . It has also been due to my work schedule. This pertains more to the next complaint I have. At this point, I decided it was a good idea to make a lot of phone calls to find out what has happened with the settlement that was signed by both parties. I first called the . I was told that the settlement was specifically sitting on Judge desk and it still has not been signed yet by the Judge. That was all it needed and then

This is not what I am basing it off of. I have been told , over the phone, that his mom and Judge by my has had everything planned out together for my court has eluded to a " relationship happening.
