COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 18-258

Judges:

Complainant:

ORDER

The complainant alleged one superior court commissioner failed to take action about a witness lying. The complainant alleged a second superior court commissioner was biased against him and did not follow the law. Finally, the complainant alleged a superior court judge denied him due process and also did not follow the law.

The responsibility of the Commission on Judicial Conduct is to impartially determine if a judicial officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of a judicial officer's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officers did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).
