ORDER

The complainant alleged a pro tem municipal court judge was biased against her and gave a lenient sentence to a defendant.

The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of a judicial officer's rulings. Wickedness was also equally as spiteful. On top of all this mess, Judge and all other frauds involved in my case didn't have the decency to tell me that my attacker, and that a search warrant was also not issued. Why was a warrant for arrest never physically taken? Why was the sentence so light when an attempted and attempted

occurred? Why were no charges filed? Based on the blatant "that transpired and the severe lack of regard and respect for my safety and my womanhood? I don't think this Judge is fit to continue occupying judicial office. There was no follow-up about helping me, these

I've got now and to add insult to injury the systemic racism is rampant in these public agencies that worsened my situation, full of racist workers who live to suppress the needs and the collective progress of the

demographic here. I have been unable to secure rapid rehousing funds for my case/

I've suffered. All around me I have to wake up everyday and see conditions of poverty, strain, addiction, environmental and other systemic problems. I know for a fact that if I wasn't I wouldn't have these problems getting my assault case needs met.

* I am not asking for an apology either, because the actions of the offender and the judge spoke volumes, and the Judge did not care about how she has endangered anyone else. Judge was quick to dismiss the case.

I'm taking this case to Court and since there has been a failure to ensure my safety, failure to show empathy, failure to aid in the allocation of compensations for medical bills, surgery and my other needs? All offending parties who took it upon themselves to humiliate me will wish they had respected me, my body and my life they disrupted with their shadiness.

* I was unable to file complaint sooner due to problems with Rampant Racism towards Renters going on in the, and while dealing with physical pain, trying to restabilize my housing situation.

* I'm ready to see what excuses will be made as to why this Judge. me over, besides the fact, that she ruled this case as "just another" "I see the generational, age-related disrespect is apparent as well."

* I demand that the unprofessional conduct practiced against me is given disciplinary action and I am hereby calling for resignation of this Judge, who also failed to charge my assailant to the MAX and with. as I specifically stated on. (done by police). Attempted

murder, sexual harassment, severe mental illness unmedicated and act of mutilation - all of these charges are NOT a small matter and I'm deeply angered and disgusted about how the case was so CARELESSLY handled and dismissed as if a innocent, young, ^{minor} ~~minor~~ ^{black} ~~black~~ ^{person} ~~person~~ ^{hadn't} ~~hadn't~~ ^{suffered} ~~suffered~~ ^{life-altering} ~~life-altering~~ ^{damage} ~~damage~~.
