

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 18-386

Judges:

Complainant:

ORDER

The Complainant alleged four superior court commissioners (two now retired) violated her rights and made improper rulings in a family law matter.

The responsibility of the Commission on Judicial Conduct is to impartially determine if a judicial officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the Commission is limited to this mission.

The Commission does not have jurisdiction to review the legal sufficiency of a judicial officer's rulings. In addition, the Commission found no evidence of ethical misconduct and concluded that the judicial officers did not violate the Code in this case. Accordingly, the Complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Dated: April 18, 2019

Copies of this order were distributed to all appropriate persons on April 18, 2019.

This order may not be used as a basis for disqualification of a judge.

Judge followed harassment of Judge after requested a new judge for prejudice then quitting on lied and stated was not there for request reasons of new judge so they dismissed obtaining new judge for prejudice and began spiral of taking child.

dismissed Conciliation court recommendations because of fathers domestic violence and went with suggestions because denied an attorney.

financed for after had purged her continuing defamation of as even though conciliation courts cleared of any mental disorder (evaluation ordered in retaliation by had stated to suffered from a mental disorder. mental evaluation was ordered by same therapist against rights to obtain another.

continued deception in order to kidnap child by stating to Dr that had been making false and Police reports. has never made false reports. Diagnosed

with developing signs of based off the perjury and defamation of and her client and not off fact. They took this to and without meeting statute of imminent danger removed child falsely testifying that had been making false reports therefore had an untreated mental disorder therefore was going to cause irreparable harm to her child.

went to and attempted removal of child through them and they did not substantiate or false claims of and stated was not a harm to her child. obtained after child was taken and was denied parental rights to her

child with no contact ordered per and hearings denied for over months informed was going to file a special action quitting on as she refused to file a special action

because it would cost too much money spiraling to retaliate against ordering so that would not receive her child without further mental health evaluations as now claimed

child was because of The judge ignored that therapist stated and his girlfriend were giving and that child was not mentally ill or in harms way of

continued her deception of witnesses and informed them that was diagnosed therefore a harm to her child and requested the therapist order that if did not drop the defamation lawsuits against her and and the judges for taking her child that they would not give her child back. was forced to drop her cases in order to gain custody back of her

child which is against the law and they maintain removal of her child to this day because of and false testimonies that change and do not stop to this day with Judge

Judge continues harassment defamation retaliation prejudice and bias as she is friends with Judge and is covering for her and not reporting her for misconduct maintaining removal of

child even though after trying for years being denied hearings by until she obtained another attorney refuses to take into account that gave her records that she has never made a false police or report, gave her mental health records from her
