## ORDER

The Court received Applicant L. Terry Grimble's Application for Reinstatement, the State Bar's response, and applicant's reply. At the request of the parties, consideration of the application was deferred while the parties attempted to stipulate to a number of issues. Apparently, the parties were not able to reach an agreement and the State Bar filed a Request for Ruling on Applicant's Application for Reinstatement. This Court having considered the application, response and reply, accordingly,

IT IS ORDERED that the State Bar's Request for Ruling on Applicant's Application for Reinstatement is granted.

IT IS FURTHER ORDERED that the Application for Reinstatement is denied. Applicant must apply for reinstatement under the procedures set forth in Rule 65. The parties are allowed to submit the application and related documents on the record to the hearing officer.
