In The Matter Of:)

EXTENDING THE PUBLIC FUNDS)
RISK MANAGEMENT ADR PROJECT)

Administrative Order
No. 96- 14

On July 2, 1992, by Administrative Order No. 92-19, the Court established a pilot project known as the Public Funds Risk Management ADR Project. The project involved identification of one hundred cases that could potentially be settled through intervention and settlement conferences.

On July 25, 1995, by Administrative Order 95-41, the Court authorized that "[the project shall continue to operate for an additional six months from the date of this order or until such time as the project report has been presented to the Arizona Judicial Council and the Supreme Court has acted to formally adopt or discontinue the project, whichever event occurs first.]" The six-month period has expired and the Arizona Judicial Council has requested that the Public Funds Risk Management Project be extended until a continuation plan has been developed for approval.

Now therefore, pursuant to Article VI Section 3, of the Arizona Constitution,

IT IS ORDERED that the Public Funds Risk Management ADR Project continue to operate until further order of this Court.

Dated this 3rd day of April, 1996.
