Request for Public Hearing per SC Rule 28(E) – Request is hereby made.

Request for Expedited Adoption of Rule change per SC Rule 28(G)(2) – Request is hereby made. Rule 96 would provide some reasonable measure of protection from being the victim of crime that every citizen is entitled to everywhere else (even criminals in prison) except as a litigant in Family Court. The current lack of protection constitutes ongoing and widespread violations of various provisions of the US Constitution and are as such violations of Federal Civil Rights. For these reasons Civil Rights actions are given priority in Federal Court and should be shown the same priority in this petition.
