Pursuant to Rule 28, Rules of the Supreme Court of Arizona, the Task Force on Court Management of Digital Evidence (“Task Force”) hereby submits the following response to the sole comment filed in the above-captioned matter.

The Advisory Committee on Rules of Evidence submitted a comment recommending adoption of the proposed amendments to Rules of Evidence 1001, 1002, 1004, 1006, 1007, and 1008, but requesting a technical change to the term “video.” The Advisory Committee promotes using the plural form—“videos”—in

proposed amended Rule 1006 to provide uniform usage of the term. After review and consideration of the comment, the majority of the Task Force has no objection to the proposed change and recommendation of the Advisory Committee. Therefore, the Task Force defers to the Supreme Court's decision on the comment of the Advisory Committee in its consideration of Rule Petition R-18-0008.

#### CONCLUSION

Petitioner respectfully requests that the Court adopt this petition and proposed rule changes considering comments received, with an effective date of January 1, 2019.

DATED this 14th day of June, 2018.
