To the Honorable Chief Justice Brutinel of the Arizona State Supreme Court,

¶1 The People respectfully request that Rules of Evidence be amended in conformance with AZ Art 2 Sect 4 “Due Process” such that the laws against Perjury ARS 13 Chapter 27 are enforced. Upon a complaint registered with a Judge which is then forwarded to law enforcement, proceedings shall be suspended until the criminal matter has been resolved. People who resist the temptation to commit perjury and tell the truth, is the preferred outcome.

¶2 The People are working on producing Statutes but regardless, the Constitution is the Supreme Law of the Land and everybody swears an oath per US Constitution Art 6 Sect 3.

Sincerely,
/s/ Martin Lynch
