ATTACH A **STATEMENT OF INTEREST** explaining why you are interested in serving on the independent redistricting commission.

Statement of Interest: I am a person who still believes in complete fairness. Wealth and power should never make a person any different than the most impoverished citizen. I believe in complete honesty; the quickest way for a person to lose trust with others is by non-truths. Therefore, I believe gerrymandering is inappropriate for a population. I as a citizen of the state of Arizona would be proud to support and donate time to this commission. By maintaining this body of independent individuals, we can assure the people of Arizona that our districting will remain nonprejudicial thereby refraining from partisan and personal advantages. I have never had hard ties to any political group, nor have I truly been a businessperson. When I practiced medicine, I was always associated with a university.

I am presently retired and able to serve on this commission. I may not completely appreciate what goes into making the decisions of redistricting, but I think that I can learn the issues at hand and remain unbiased and fair.
