) **FILED 08/26/2022**

On August 25, 2022, the Court entered an order remanding this matter to the trial court to make specific findings as to the calculation of the number of valid signatures and directing the parties to file supplemental briefing after the trial court entered its decision.

The trial court requested additional briefing from the parties and, on August 26, 2022, entered its Amended Final Judgment finding that initiative measure I-16-2022 did not qualify for the November 8, 2022 general election ballot. The trial court further ordered the Secretary of State to rescind her previously issued determination that the measure is qualified for the November 2022 general election.

The Court having considered the matter and the supplemental briefing by the parties,

IT IS ORDERED affirming the trial court's August 26, 2022 Amended Final Judgment disqualifying the initiative from the ballot.

A written opinion detailing the Court's reasoning will follow in due course.¹

DATED this 26th day of August, 2022.
