RULING RE ELECTION CASE/CANDIDATE CHALLENGE

Plaintiff Xenia Orona, a qualified elector, challenges the nominating petitions filed by Defendant Michael D. Butts (“Butts”) for the Democratic Party candidate for State Representative in Legislative District 11. The Court has jurisdiction pursuant to A.R.S. § 16–351(A).

Butts filed 78 nominating petitions (also called “petition sheets”) containing 795 signatures with Arizona Secretary of State. The required number of signatures for candidacy for the office he seeks is 452 valid signatures.

In Counts 1 through 5 of the Complaint, Plaintiff challenges individual signatures for out-of-party and other statutory deficiencies. On April 17, 2024, the Maricopa County Recorder

SUPERIOR COURT OF ARIZONA
MARICOPA COUNTY

CV 2024-008652

04/24/2024

issued a report certifying 556 of the 795 as valid. (Record's Report, Trial Exh.3) Based on that finding, Plaintiff withdraws Counts 1-5.

Count 6 challenges the legal validity of 667 signatures under A.R.S. § 16-321(D) on the grounds that Butts certified these signatures as circulator but did not, in fact, circulate the petitions bearing those signatures.

Nomination petitions must be signed by a circulator who is a qualified elector of this state. A.R.S. § 16-315(B). A.R.S. § 16-321(D) identifies the circulator as the person "before whom the signatures were written" and requires the circulator to verify that the petitions have been signed in the circulator's presence and that the circulator believes that each signer is a qualified signer. Similarly, the petition sheets that Butts signed expressly state, immediately before his signature, "that each of the names on the petition were signed in my presence on the date indicated" and that he believes each signer's address and party affiliation qualifies them to sign the sheet.

"[S]tatutory circulation procedures are designed to reduce the number of erroneous signatures, guard against misrepresentations, and confirm that signatures were obtained according to law." *Brousseau v. Fitzgerald*, 138 Ariz. 453, 456 (1984). The failure to follow these procedures due to a clerical or inadvertent error will not automatically invalidate the signatures on a defective petition. However, when lack of compliance is purposeful, the signatures are deemed invalid. *Id.* at 455-456. As stated in *Brousseau*,

To allow the integrity of the nominating petition process to be violated by the... certification of the petitions by persons other than the actual circulators without any sanction other than the inconvenience of showing that the signatures were in fact authentic would render the circulation requirement meaningless and possibly lead to additional falsehood and fraud by others. We believe that there is a real difference between mere omissions or irregularities and fraud. It does not seem unreasonable to hold a candidate for an office of public trust to a high standard of ethical conduct regarding the observance of election laws. The only way to protect the process from fraud and falsehood is to make such conduct unprofitable. We hold that petitions containing false certifications by circulators are void, and the signatures on such petitions may not be considered in determining the sufficiency of the number of signatures to qualify for placement on the ballot.

Id.

In this case, clear and convincing evidence establishes that Butts verified petition sheets as the circulator knowing that he had not obtained the signatures in his presence as required by A.R.S. § 16-321(D). Butts admits that he signed sheets circulated by paid circulator Keith

SUPERIOR COURT OF ARIZONA
MARICOPA COUNTY

CV 2024-008652

Mitchell. Mr. Mitchell testified that he contracted with Butts to provide the circulators who collected 283 signatures for Butts at the South Mountain/Laveen Fry's parking lot on March 23-26, 2024. Mr. Mitchell testified that, per their agreement, he charged Butts \$15 per signature. He stated that he billed Butts for 283 signatures. He testified that Butts told Mitchell to have the circulators leave the certification blank despite Mitchell's warning against that practice. Mr. Butts does not dispute Mitchell's testimony that he instructed Mitchell to leave the certification blank on the sheets circulated by Mitchell's team.

While Butts admits he signed sheets that he did not circulate, he disputes that the sheets contained 283 signatures. He testified that Mitchell collected only 100 signatures. The Court finds Mr. Mitchell's testimony as to the 283 figure to be credible. It is supported by text messages between Mitchell and Butts documenting Butts' refusal to pay Mitchell for 283 signatures. (Trial Exh. 7) The figure is also consistent with Mitchell's testimony as an experienced circulator regarding the number of signatures that four paid circulators can collect in three-four days.

Alternatively, Butts argues that the signatures are valid because they were done "in his presence." Specifically, he testified that he was at the Frys on March 23-26, 2024, and observed each signer who signed a petition for a paid circulator. However, Butts also testified that he was actively meeting voters, talking to them about his candidacy, and obtaining signatures from people coming and going through the parking lot. It is not reasonable to believe that he could have observed all 283 signers while simultaneously campaigning and collecting signatures himself. Further, even if he could have observed 283 signers in addition to his own, his mere presence in the parking lot is not sufficient to certify those signatures. The statute requires the circulator to be the person "before whom the signatures were written." In this case, 283 individuals wrote their signatures before a paid circulator. Finally, Mitchell and one of his co-workers, Ms. Lawson, testified that Butts was not present the entire time that the paid circulators were working. Having had the opportunity to observe the witness' demeanor while testifying, the Court finds Mitchell and Lawson to be credible.

In sum, the evidence establishes that Butts signed as circulator the petition sheets bearing 283 signatures that he knew he had not obtained. These signatures are invalid, leaving Butts with only 273 valid signatures (556 minus 283) and, therefore, not qualified for the Democratic Party primary ballot.

IT IS ORDERED enjoining the Arizona Secretary of State from placing Butts on the Democratic Party primary ballot for State Representative in Legislative District 11.

IT IS FURTHER ORDERED that this is a final order and entered pursuant to Rule 54(c), as there are no issues or claims remaining.

Under A.R.S. § 19-118(F), a party must file a notice of appeal within five calendar days after entry of judgment. The Supreme Court may dismiss a belatedly prosecuted appeal, such as one filed on the last day of the statutory deadline. See *McClung v. Bennett*, 225 Ariz. 154, 235 P.3d 1037 (2010). Special procedural rules govern expedited appeals in election cases. Ariz. R. Civ. App. P. 10.

Case No.: CV2024-008652

MOTION TO DISMISS
RELATIVE TO ARS SECTION 16-351

(Assigned to the Hon. Katherine Cooper)

COMES NOW Defendant Michael D. Butts and moves to dismiss Plaintiff's complaint
for her failure to comply with ARS 16-351(A).

1 LEGAL ARGUMENT

2 The Arizona Election Code, Title 16, contains a section 16-351(A) which mandates that
3 plaintiffs in election law contests must “specify in the action the petition number, line number
4 and basis for the challenge for each signature being challenged. Failure to specify this
5 information SHALL result in the dismissal of the court action.” [Defendant’s emphasis.]

6 The Plaintiff in this case was absolutely diligent in her specificity in the first five of the
7 six causes of action, but “fudged” on the final, sixth cause of action. There are no lines listed,
8 there are not even any specific disputed pages of the petition listed! There must be a reason for
9 such a glaring and obvious error: the plaintiff is randomly guessing that some pages collected by
10 friends of the Defendant or paid circulators were done “outside the presence” of the
11 Defendant. But this failure of proof is also an essential failure of pleading!

12 The Plaintiff’s disregard of the requirements of ARS 16-351(A) mandates the dismissal
13 of the whole cause of action, or at the very least, the sixth cause of action.

14 The Defendant is prepared to fully and vigorously dispute the generalized, non-specific
15 claims that underlies the Plaintiff’s sixth cause of action.

16 The verification that all petition circulators sign on the reverse side of the petition states
17 that the petition was signed in the “presence” of the circulator. That was exactly what the
18 situation consisted of here. Every single petition that was signed by Defendant Michael Butts
19 was a page he personally held on a clipboard in his own hands, or in the hands of a circulator that
20 was physically within feet or yards of the Defendant. He could and did see the petition signers
21 and they could physically see him. In fact, if he was not busy with another voter, Mr. Butts
22 would often approach signers to speak to them. After all, these people were his potential
23 constituents!

24 Testimony from the Defendant and defense witnesses will confirm that many of the
25 signatures were gathered in the Fry’s/Target parking lot in the South Phoenix/Laveen
26 neighborhood which is located within the heart of District 11. The Defendant, his volunteer
27 friends, and the small number of paid circulators that he occasionally used, worked as a
28

1 coordinated group effort. He did physically observe the circulators gathering signatures as he
2 was always in the parking lot gathering signatures himself when they were assisting him. They
3 never gathered signatures unsupervised by the Defendant.

4 Based on the foregoing argument, and the glaringly obvious failure to comply with ARS 16-
5 351(A), the Defendant moves the Court to dismiss the Plaintiff's complaint in whole, or at least
6 as to the Sixth cause of action, and to award costs and attorney fees.

Case No.: CV2024-008652

**RESPONSE TO MOTION TO
DIMISS RELATIVE TO ARS
SECTION 16-351**

(Election Case/Candidate Challenge
per A.R.S. §16-351)

(Assigned to the Honorable Katherine
Cooper)

Xenia Orona, by and through undersigned counsel, opposes Candidate Butts' Motion to Dismiss Relative to A.R.S. § 16-351 as follows.

An elector has the right to challenge the nomination of a candidate on various grounds, including but not limited to a line-by-line signature challenge, A.R.S. § 16-351(A), or the legal validity of an entire petition sheet based on fraudulent certifications

1 by circulators, *Brousseau v. Fitzgerald*, 138 Ariz. 453, 456 (1984). Plaintiff raises both
2 types of challenges: challenges to individual signatures (Claims 1 through 5) and
3 challenges to the circulator's certification (Claims 6). Specific to Claim 6, Plaintiff
4 alleges that Defendant, candidate Michael Butts, falsely certified most if not all the
5 petitions he claims to have circulated, thus rendering his circulator certification false and
6 requiring the removal of those petition sheets, and consequently, the removal of all
7 signatures on those sheets from the valid signature count. In other words, Plaintiff does
8 not challenge the validity of the signatures on those petition sheets. Rather, Plaintiff
9 challenges the legal sufficiency of the petition sheet itself.

10 Defendant erroneously argues that, because Plaintiff did not identify the "petition
11 number, line number and basis" for each challenged signature under Claim 6, it should
12 be dismissed. Defendant's motion to dismiss should be denied because Plaintiff's
13 Verified Complaint satisfied all requirements from Section 16-351, it satisfied Arizona
14 law's pleading standard, it provided Defendants with sufficient information to fully and
15 completely respond to the complaint and it substantially complied with all requirements.

16 **A. Arizona Is a Notice Pleading State**

17 "Arizona courts assess the sufficiency of a claim under Rule 8's requirement that
18 a pleading contain a 'short and plain statement of the claim showing that the pleader is
19 entitled to relief.'" *Cullen v. Auto-Owners Ins. Co.*, 218 Ariz. 417, 419 ¶6, 189 P.3d 344,
20 346 (2008). The Court in *Cullen* went on to explain that "[b]ecause this Court has the
21 final say in the interpretation of procedural rules, only this Court can revise or reconsider

1 its prior interpretation of the rules, even if a lower court believes that subsequent events
2 may call into question a prior interpretation,” *id.* at 420 ¶10, and further noting “the
3 Arizona Constitution grants this Court the power to create all procedural rules, the
4 Arizona Rules of Civil Procedure may be revised only through our inherent power to
5 interpret procedural rules or through the procedures established in Rule 28.” *Id.* ¶12.

6 The Verified Complaint filed in this matter provided very specific information to
7 the Candidate of the allegations against him. It alleges that the Candidate directed
8 circulators to collect signatures for him and leave the circulator portion blank. [Ver.
9 Compl. at ¶36.] It alleges that these sheets contained 286 signatures and alleges that the
10 Candidate himself committed a fraud of the type contemplated in *Brousseau v.*
11 *Fitzgerald*. [Ver. Compl. at ¶¶37-38.] The specific sheets challenged are identified as
12 those that were circulated by the Candidate. [Ver. Compl. ¶ 37.] As for precisely which
13 bates stamped sheets were turned in by the Candidate after forging his signature to them,
14 only the Candidate would have that information as the one who committed the fraud.
15 Such specificity is not required under the notice pleading standing, and even if it were,
16 the Candidate cannot evade evaluating his fraud by benefiting from an impossibility
17 caused by the very fraud that is alleged.

18 **B. Challenged Signatures Were Properly Identified.**

19 The law requires certain types of challenges to include the sheet and line number
20 challenged. Specifically, “The elector shall specify in the action the petition number, line
21

1 number and basis for the challenge for each signature being challenged. Failure to specify
2 this information shall result in the dismissal of the court action.” A.R.S. § 16-351(A).

3 As the Motion to Dismiss notes, in each instance wherein a specific signature was
4 challenged, the sheet and line number was identified in the Verified Complaint. [Motion
5 to Dismiss at 2 (“The Plaintiff in this case was absolutely diligent in her specificity in the
6 first five of the six causes of action”).] Following the filing of the complaint, the County
7 Recorder must process line-by-line challenges alleged by the Plaintiff. That work required
8 the identification of the specific signatures so that the County Recorder could verify the
9 validity of the specific challenge.

10 This purpose of A.R.S. § 16-351(A)’s requirement was examined in *Lubin v.*
11 *Thomas*, 213 Ariz. 496, 498–99, 144 P.3d 510, 512–13 (2006). There the Court explained
12 that “the legislative history of A.R.S. § 16–351(A) is instructive on the purposes behind
13 the requirement that a challenger specify the petition number, line number, and basis for
14 each signature challenge. The primary purpose is to ‘allow the Elections office to more
15 efficiently do preliminary work to deal with candidate challenges, and ... eliminate the
16 need to go to court in some cases.’” *Id.* (quoting *Ariz. State Senate Fact Sheet for H.B.*
17 *2101*, 44th Leg., 1st Reg. Sess. (Ariz.1999)).

18 Helen Purcell, Recorder, Maricopa County, testified that the
19 Recorders [sic] Office is in support of H.B. 2101. She said this
20 legislation gives her office a better idea of what to look for in
21 the challenge process. It is extremely difficult for her office if
it does not know what the challenges are. This legislation will
make it easier for the Recorder's Office to locate the
information.

1 *Minutes of House Comm. on Judiciary*, 44th Leg., 1st Reg. Sess. (Ariz. Jan. 27, 1999)
2 (“House Minutes”) as cited in *Lubin v. Thomas*.

3 In other words, the specific sheet and line number were necessary for those
4 portions of the challenge that required the County Recorder to review the record. For
5 other challenges it is also necessary to provide the defendant with notice—as was done
6 here—of the precise nature of the challenge so that the candidate can prepare his defense.
7 *McClung v. Bennett*, 225 Ariz. 154, 157, 235 P.3d 1037, 1040 (2010) (“Under A.R.S.
8 § 16–351(A), the challenger must specify the reasons for challenging particular
9 signatures.”)

10 As for the challenge that signatures were collected by someone other than the
11 person who actually circulated the petitions—a fraud for which disqualification is
12 necessary to protect the integrity of the election system—the specific sheet and line
13 numbers are not necessary for the Candidate to defend himself. *Brousseau v. Fitzgerald*,
14 138 Ariz. at 454, 675 P.2d at 714. And in any case, the specific sheets were identified
15 because they are the sheets the Candidate took from the individual coordinating his paid
16 circulation effort and by extension every sheet circulated by the Candidate.

17 Defendant filed 78 petitions with the Secretary, and of those petitions, Defendant
18 alleges to have circulated 71 petitions for a total of 690 signatures allegedly gathered by
19 Defendant. [Ver. Compl. ¶ 14.] As stated in the Verified Complaint, all petition *sheets*
20 alleged to have been gathered by Defendant as the circulator are subject to Claim 6
21 because he did not gather many of those signatures but falsely certified that he did. Such

1 pleading is sufficient to satisfy A.R.S. § 16-351(A) challenging the legal validity of an
2 entire petition sheet. Any additional specificity could not have been provided in the
3 complaint because Defendant's fraud, which will be proven at trial, prevents such
4 possibility.

5 **C. The Letter and the Purpose of the Law Are Met.**

6 For the signatures challenged the sheet and line number was identified. For the
7 allegations of fraud, the fraudulent sheets were identified, including the number of
8 signatures contained thereon, although given the Candidate's alleged subterfuge, the
9 bates number of those sheets was not available to the challengers. Similarly, to the extent
10 every sheet circulated by the Candidate is challenged under the *Brousseau* standard, those
11 sheets were also identified as those containing the Candidate's verification as circulator.

12 Furthermore, the nomination petition process is governed by substantial
13 compliance. *Bee v. Day*, 218 Ariz. 505, 508, 189 P.3d 1078, 1081 (2008) ("We are
14 confident that the nomination petition forms did not cause any elector to be confused
15 about the candidate, office, or election for which they were signing. Bee's petition forms
16 substantially complied with the statutory requirements."). Under a "substantial
17 compliance" analysis, this Court does not remove candidates from the ballot "for mere
18 technical departures from the form." *Id.* at ¶ 10 (cited in *Lohr v. Bolick*, 249 Ariz. 428,
19 431, 471 P.3d 639, 642 (2020)). Under the same standard, the purpose of the requirement
20 from A.R.S. § 16-351(A) is also satisfied. The County Recorder has the specific lines to
21

1 check, and the Candidate is aware that he is being challenged for falsifying petition
2 sheets.

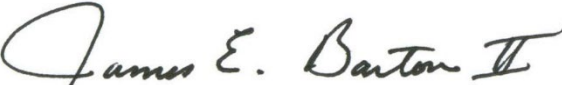

3 The letter and spirit of the law for filing the complaint are met; the Verified
4 Complaint certainly substantially complies with the associated requirements.

5 For the above reasons, Plaintiff urges this Court to deny the Motion to Dismiss
6 Relative to A.R.S. § 16-351(A).

GENERAL ALLEGATIONS

9. On March 13, 2024, the Candidate filed his Statement of Interest.

10. On or about April 1, 2024, the Candidate submitted 795 signatures. Ariz. Sec'y of State, Partisan Candidate Filing for 2024 Primary Election, at 4, *available at* https://azsos.gov/sites/default/files/docs/2024_CandidatesFiled_web_list_20240411.pdf (last visited 4/14/24).

11. In order to qualify for the July 2024 primary election ballot, the candidate must have submitted 452 valid signatures. A.R.S. § 16-322; Ariz. Sec’y of State, 2024 Signature Requirements, available at <https://azsos.gov/sites/default/files/2024->

01/2024 signature requirements web rev0124.pdf (last visited 4/15/24).

12. If 344 signatures submitted by the Candidate are invalid for any reason, the Candidate failed to submit the required number of signatures for the July 2024 Primary Election ballot.

13. As set forth more fully below, 626 signatures submitted by the Candidate are invalid based on a review of the of the signatures themselves.

14. Independently, almost all of the signatures, 690 of the total 795 gathered, were allegedly circulated by the Candidate, but are invalid because a paid circulator, and not the Candidate, circulated the petition, yet the Candidate falsely signed petitions as the circulator.

21. The following individuals are registered with a party preference that disqualifies them from signing the Candidates nomination petition:

THIRD CLAIM FOR RELIEF
Violation of A.R.S. §16-321(B)

23. Plaintiff incorporates the allegations set forth above as though fully set forth herein.

24. A.R.S. § 16-321(B) requires that a nomination petition signer is a registered voter in the electoral district for which the Candidate is seeking office.

25. The electoral district here is Legislative District 11.

26. The following individuals signed the Candidate's nomination but were registered in a district other than Legislative District 11:

Sheet #	Row #	Sheet#	Row #	Sheet #	Row #
8	2	12	7	23	8
11	1	22	3	23	10

37	7	53	7		
38	3	55	1		

27. Thus, a total of **44** signatures must be removed.

FOURTH CLAIM FOR RELIEF
Violation of A.R.S. § 16-315

28. Plaintiff incorporates the allegations set forth above as though fully set forth herein.

29. The following signatures are missing information that, pursuant to A.R.S. § 16-315(A) is required information and are thus invalid.

Sheet	Line
5	8
45	1
45	2
45	3
57	4
72	7

30. Thus, a total of **6** signatures must be removed.

31. The following line numbers do not include a signature that can be used to

1 verify the identity of the indicated person and for that reason must be removed:

Petition No.	Line No.
11	4
12	4
12	5
41	3
46	9
51	8
57	8
57	9
57	10
59	1
64	6
73	5
73	6

12
13 32. Thus, a total of 11 signatures must be removed.

14 **FIFTH CLAIM FOR RELIEF**
15 **Violation of A.R.S. § 16-321(A)**

16 33. Plaintiff incorporates the allegations set forth above a though fully set forth
17 herein.

18 34. The same qualified elector signed Petition No. 75, line 3 and EQUAL line 27,
19 therefore 1 signature must be removed.
20

21 **SIXTH CLAIM FOR RELIEF**
22 **Violation of A.R.S. § 16-321(D)**

23 35. Plaintiff incorporates the allegations set forth above a though fully set forth
24 herein.

25 36. Petitions were submitted by an individual who coordinated a paid effort at the
26 direction of the Candidate, but for which the paid circulators, again at the direction of the
27 Candidate, left the circulator signature box blank.
28

1 37. These sheets contained 286 signatures, which are invalid because they do not
2 contain the signature of the person who circulated them.

3 38. Further, under Arizona case law, fraud by the circulator, as opposed to mistake
4 or omission, voids all the petitions by that circulator. *Brousseau v. Fitzgerald*, 138 Ariz.
5 453, 455 (1984).
6

7 39. Thus, a total of 690 signatures must be removed

8 WHEREFORE, Plaintiff requests that the Court make the following findings of fact
9 and conclusions of law:
10

11 A. The Candidate Michael D. Butts submitted 795 signatures in support of his
12 nomination to be included on the July 30, 2024 primary ballot.

13 B. That at least 208 signatures filed with the filing officer were invalid because
14 the signer was not registered to vote;
15

16 C. That at least 70 signatures filed with the filing officer were invalid because
17 the signer was not registered with a proper party preference;
18

19 D. That at least 44 signatures filed with the filing officer were invalid because
20 the signer does not live within Legislative District 11;

21 E. That at least 6 signatures filed with the filing officer were invalid for failing
22 to include the required statutory information on the signature line.

23 F. That at least 11 purported signatures filed with the filing officer were invalid
24 for failing to include a signature for verification;
25

26 G. That at least 1 signature filed with the filing officer was invalid as a duplicate
27 of an EQUAL signature;
28

1 H. That at least 286 signatures filed with the filing officer were invalid as having
2 not been witnessed by the person who circulated the petition sheet on which they were
3 contained;
4

5 I. That a total of 626 signatures were invalid on the above identified grounds;

6 J. That the Candidate is short the number of valid signatures required to be
7 nominated for State Representative in Legislative District 11.
8

9 K. That a total of 690 signatures are also invalid because they were circulated
10 by a circulator who engaged in a fraud in the collection and submission of these signatures.

11 L. That as a result, Candidate Michael D. Butts is short the number of valid
12 signatures required to be nominated for State Representative in Legislative District 11.
13

14 M. That as a matter of law, Candidate Michael D. Butts is not qualified for the
15 primary ballot; and

16 N. That Defendants are order not to list Candidate Michael D. Butts on the July
17 30, 2024, primary ballot.
18

19 RESPECTFULLY SUBMITTED this 15th of April 2024.

RULINGS RE MOTIONS TO DISMISS

The Court has reviewed the Motions to Dismiss for 1) Insufficient and Misleading Summons and 2) as Relative to A.R.S. §16-351, filed April 19, 2024; and the Responses filed April 20, 2024.

The Motions to Dismiss are denied. The Court finds that Defendant responded timely, and well within the 10-day requirement for the Court's ruling under A.R.S. §16-351(A). He was served on April 15, 2024 and appeared through counsel for an Order to Show Cause hearing on April 19, 2024. Defendant did not rely on and is not prejudiced by the 20-day response language printed on the Summons. Further, the Petition sufficiently states a claim for Count 6 under A.R.S. §16-321(D) for the alleged disqualification of entire petition sheets signed by Defendant.

IT IS ORDERED denying the Motion to Dismiss for Insufficient and Misleading Summons and the Motion to Dismiss Relative to A.R.S. §16-351 and affirming the hearing on **April 23, 2024 at 1:30pm.**
