New Child Support Payment Card System Requires Action to Prevent Delay in Services

PHOENIX – The Arizona Department of Economic Security (DES) will transition to a new Electronic Payment Card (EPC card) effective January 1, 2022.

The new EPC card will be mailed to child support clients no later than September 23, 2021. To ensure uninterrupted services, DES must have EPC card users' current address and personal information on file.

For assistance and to review the personal information on file, see the [AZ Child Support Portal](#) or the [Clerk of the Court](#) for the County where child support was ordered. Additional details regarding the EPC card transition can be found at <https://des.az.gov/epc-transition>.
