Administrative Order No. 2020-206, signed on December 23, 2020, contains an internally inconsistent error in the effective date. While the introductory language of the order gave the effective date for risk-based supervision requirements of the code as April 1, 2021, the ordering language stated March 1, 2021.

Therefore, pursuant to Article VI, Section 3, of the Arizona Constitution,

IT IS ORDERED that the ordering language of Administrative Order No. 2020-206 is corrected nunc-pro-tunc to reflect that provisions regarding risk-based supervision will be effective April 1, 2021. All other provisions of Administrative Order No. 2020-206 remain unchanged and in effect.

Dated this 13th day of January, 2021.
