## Discussion Points/Decisions:

- A conference call was held on March 14, 2018 and present on the call were: Pima County – Susan, Cas, Sean A., Christine R., and Patricia M.; AOC – Steve H. and Laura R.
- Cas is working with Jay Dennis at PCCJC to view their FARE programming in the next week or so. That will enable him to fine-tune some of the business requirements.
- Patricia and Cas both believe the BPRs for addressing are done or close to done. She will review it again.
- Patricia will also review the charge list again and finish identifying TTEAP eligible charges.
- Patricia and her group have reviewed more TIP files and the group discussed the status of that project. Sean joined the call. It is up to the court how often they send TIP update files. Courts send update files weekly, monthly or quarterly. It depends on how busy the court is with receiving receipts and updating case balances. The court has submitted update files for the criminal and juvenile populations and hope to have the civil updates sent as soon as the information is confirmed.
