Discussion Points/Decisions:

- A conference call was held on February 28, 2018 and present on the call were: Pima County – Susan, Cas, Patricia M., Sean A; AOC – Steve H. and Laura R.
- Cas had an update regarding efforts to collect more SSN's on cases. A new Fee Deferral form will be a requirement for fee deferral requests and fields for DOB and SSN will be on the form. This should assist with getting more of these required fields for TIP. Patricia asked Sean to pull a file of delinquent civil cases with no SSN so they can do some research to try to find SSNs. Sean said he would provide this.
- Sean reported the juvenile TIP files were updated and send to the AOC. Steve confirmed this. The next phase will be to review the civil case and criminal case TIP files.
- Cas will send out BPRs for review before the next meeting. Patricia suggested they go to PCCJC and see how they do things. Steve agreed this would be helpful to see conceptually how FARE works in a case management system that is like theirs.
