

**Automation Updates Directions  
2021 Legislative Session  
SB1551 (Chapter 189) and HB2143 (Chapter 113)  
General Effective Date: 9/29/2021**

**Background-** Effective September 29, 2021, [SB1551](#) and [HB2143](#) will remove the authority to suspend a person’s driver license for failure to pay or appear on a civil traffic violation. All other enforcement mechanisms remain in place, including the ability to send eligible cases to FARE and the Traffic Ticket Enforcement Program (TTEAP). Below are charts and screenshots to use as reference guide only when updated Non-AJIN supported applications.

*Note: No change to NRVC processing.*

**Disposition Code Table-** updates to disposition code table. Updates referenced in table are also shown below in example screenshots.

Disposition Code Description (Pre 9/28/2021)	Disposition Code Description (Post 9/29/2021)	Disposition Code Table Updates (Post 9/29/2021)	Disposition Reportable to MVD (Post 9/29/2021)
50-FTP SANCTION/LIC RESTRICTED	50- FTP SANCTION/LIC RESTRICTED	DMV Reportable Flag set to “C” to allow disposition code to transmit on criminal violations only.	<u>Yes</u> , except MVD will only accept disposition code 50 on criminal violations.
55-FTP CIVIL SANCTION/LIC SUSPND	55-FTP CIVIL SANCTION	Description updated to “FTP Civil Sanction”, DMV Reportable Flag set to “Null” and remove reportable code to prevent disposition from reporting to MVD.	<u>No</u> , MVD will no longer accept fail to pay default code (55) or overlays.
58-FTA CIVIL; LICENSE SUSPENDED	58-FTA CIVIL TRAFFIC DEFAULT	Description updated to “FTA Civil Traffic Default”.	<u>Yes</u> , MVD will process fail to appear civil traffic default judgment code (58) as a conviction code. MVD will no longer accept conviction code overlays (dispo codes 10 thru 22).

**Disposition Code 50- Update DMV Reportable Flag to “C”**

*Automation Purpose: Disposition code should only be used for criminal traffic failure to pay restrictions.*

The screenshot shows a form titled "Disposition" in "Edit" mode. The "Final Disposition" field is set to "50". The "Description" field contains "FTP SANCTION/LIC RESTRICTED". The "DMV Reportable Flag (V/C/B):" field is set to "C". A blue callout box with an arrow points to this field, containing the text "Remove B" and set flag to 'C'". **Disposition Code 58- Update description “FTA Civil Traffic Default”**

Automation Purpose: Disposition code should continue to report to MVD as a conviction code.

**LJ AJACS MVD Job Transmission-** will be updated to address transmissions and overlays.

**IMPORTANT:** AOC will implement changes to AJACS on Friday 9/24/2021.

Updated Disposition Code	MVD transmission Updates
<b>50-FTP SANCTION/LIC RESTRICTED</b>	<p><b>Table Update:</b> Turn off ability to enter disposition on civil traffic violations. Note: System will continue to transmit failure to pay restrictions (50) on criminal traffic violations and overlays.</p> <p><b>MVD Job:</b> System will suppress overlays for civil traffic violations only.</p>
<b>55-FTP CIVIL SANCTION</b>	<p><b>Table Update:</b> Description update and need to turn off ability to transmit.</p> <p><b>MVD Job:</b> System will suppress disposition code overlays.</p>
<b>58-FTA CIVIL TRAFFIC DEFAULT</b>	<p><b>Table Update:</b> Description update only. Note: System will continue to transmit civil traffic default judgments (MVD will consider as a conviction).</p> <p><b>MVD Job:</b> System will suppress conviction code overlays (10 - 22).</p>

**Form Updates**-below are merge and rule forms which will be updated by the AOC to remove civil traffic FTA and FTP suspension language. All local customization on the merge forms below will be overwritten on the effective date. Once approved, the revised rule forms will be posted and/or added to LJ AJACS courts as applicable.

*Note: Non-AJIN Courts should review their local forms and remove any reference to civil traffic FTA and FTP suspension language.*
