

ADULT PROBATION Narrative Summary

DIRECT SUPERVISION is the number of probationers sentenced in Superior or Limited Jurisdiction Court residing in each County for whom direct supervision is being provided. These reports summarized statistics for probationers that are directly supervised by each county. Probationers indirectly supervised by each county are not counted because these probationers may already be counted in other Counties and would cause these probationers to be double counted for statistical purposes.

There are **three pages** of tables for statewide and county adult probation activity. The first page is the **Total Adult Probation (Standard and Intensive) Case Activity**, the second covers **Probationers with Petitions to Revoke**. While the third table summarizes **Additional Probation Activity**.

There were a total of 18,029 individuals added to the active **standard and intensive probation** population, as well as the administratively monitored probation population during FY 2010. As of the end of FY 2010, there were 39,879 active standard and intensive probationers. A total of 13,883 petitions to revoke were filed during the fiscal year. Of all the probation violation matters brought back before the court in FY 2010, dispositions were achieved in 10,762 cases. Standard and intensive probationers paid \$42,384,395.27 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 29.3% of the money collected. Intensive probationers paid \$637,542.72 in state and federal income taxes. Note that absconder statistics are not reported in these statistics.

There were 17,055 individuals added to the active **standard** probation population in FY 2010. During the fiscal year, 15,572 individuals were terminated from standard probation. On June 30, 2010, there were 37,802 active standard probationers. A total of 11,773 petitions to revoke were filed on standard probationers during FY 2010. Of all the standard probation violation matters brought back before the court, dispositions were achieved in 9,385 cases. Standard probationers paid \$40,962,523.81 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 29.4% of the money collected.

During FY 2010, 974 individuals were added to the active **intensive** probation population. Over the course of the fiscal year, 1,189 individuals were terminated from intensive probation. At the close of the fiscal year there were 2,077 active intensive probationers. A total of 2,110 petitions to revoke were filed on intensive probationers during FY2010.
