

ADULT PROBATION Narrative Summary

DIRECT SUPERVISION is the number of probationers sentenced in Superior or Limited Jurisdiction Court residing in each county for whom direct supervision is being provided. These reports summarize statistics for probationers that are directly supervised by each county. Probationers indirectly supervised by each county are not counted because these probationers may already be counted in other counties and would cause these probationers to be double counted for statistical purposes.

There are two pages of tables for statewide and county adult probation activity. The first page is the **Total Adult Probation** (Standard and Intensive) Case Activity and Probationers with Petitions to Revoke. The second table summarizes Community Restitution Hours, Monetary Collections and Probation Reports. Note that absconder statistics are not reported in these statistics.

There were a total of 17,151 individuals added to the active **standard and intensive probation** population during FY 2011. At the end of FY 2011, there were 38,099 active standard and intensive probationers. A total of 14,131 petitions to revoke were filed during the fiscal year. Of all the probation violation matters brought back before the court in FY 2011, dispositions were achieved in 11,257 cases. Standard and intensive probationers paid \$42,875,166.26 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 33.0% of the money collected. Intensive probationers paid \$569,668.66 in state and federal income taxes.

There were 16,121 individuals added to the active **standard** probation population in FY 2011. During the fiscal year, 20,894 individuals were terminated from standard probation. On June 30, 2011, there were 35,947 active standard probationers. A total of 12,136 petitions to revoke were filed on standard probationers during FY 2011. Of all the standard probation violation matters brought back before the court, dispositions were achieved in 8,846 cases. Standard probationers paid \$41,697,225.45 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 33.4% of the money collected.

During FY 2011, 1,030 individuals were added to the active **intensive** probation population. Over the course of the fiscal year, 1,277 individuals were terminated from intensive probation. At the close of the fiscal year there were 2,152 active intensive probationers. A total of 1,995 petitions to revoke were filed on intensive probationers during FY 2011. Of all the intensive probation violation matters brought back before the court, 2,411 achieved a disposition. Intensive probationers paid \$1,177,940.81 in fines, restitution and other monies. Restitution accounted for 19.6% of the money collected.
