

COURT REVENUE

Statewide Narrative Summary

The statewide revenue data is provided here for each level of the Arizona courts. The figures were compiled from probation fee reports and the quarterly revenue surveys distributed by the Supreme Court for FY 2014. Major revenue categories shown represent monies collected from four sources:

FINES, SANCTIONS, FORFEITURES: Revenue from monetary penalties assessed in criminal, traffic, and juvenile matters, and bond monies that were forfeited;

SURCHARGES: Revenue from monetary assessments authorized by statute above and beyond criminal and traffic penalties and certain civil and other fees;

FEES: Revenue from collectible fees for services of the court and chargeable aspects of case processing;

OTHER REVENUE: Revenue from sources not otherwise specified.

Total revenue collected by the Arizona courts decreased from \$385,419,088 in FY 2013 to \$378,683,124 in FY 2014, a decrease of 1.7%.

The fines category accounts for \$130,936,272 or 34.6% of the total statewide revenue. Fees make up the largest segment of court revenue, totaling \$163,420,901 or 43.2%. The third largest revenue category is surcharges, with \$83,333,805 or 22.0% of the total revenue.

The revenue distribution summary shows that FY 2014 court revenue, as in previous years, is distributed fairly evenly among the state, counties, and municipalities (25.3%-44.3%), and that Municipal Courts generate a little under half of all court revenue (\$182,136,211 or 48.1%). The Arizona courts processed \$106,831,068 in "pass-through" trust monies, of which restitution accounted for \$19,501,929 of the total. The majority of trust monies collected was in "Bail Bonds" which represented 50.7% of the total.

The establishment of a central support payment clearinghouse to receive, disburse and monitor support payments pursuant to title IV-D of the Social Security Act, which started to take effect in FY 1998, has moved all child support payments from the courts to the Department of Economic Security. The courts collected \$7,105,550 in child support during FY 2014, a 5.9% increase from FY 2013.

Some of the FY 2013 figures may not correspond to figures published in last year's Data Report due to corrected information received subsequent to publication of the Report. Revenue reports received from courts are checked for mathematical accuracy, but are not audited by the Supreme Court.
