

ADULT PROBATION

Narrative Summary

There are two pages of tables for statewide and county adult probation activity. The first page includes Standard and Intensive Adult Probation Case Activity and Probationers with Petitions to Revoke. The second table summarizes Community Restitution Hours, Monetary Collections and Probation Reports. Note that absconder statistics are not reported in these statistics.

Direct adult probationers are the number of probationers sentenced in Superior or Limited Jurisdiction Courts residing in each county for whom direct supervision is being provided. Probationers indirectly supervised by each county are not counted because these probationers may already be counted in other counties and would cause these probationers to be double counted for statistical purposes.

There were a total of 5,277 individuals added to the active standard and intensive probation population during FY 2017. At the end of FY 2017, there were 44,130 active standard and intensive probationers. A total of 20,698 petitions to revoke were filed during the fiscal year. Of all the probation violation matters brought back before the court in FY 2017, dispositions were achieved in 15,801 cases. Standard and intensive probationers paid \$53,679,905 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 29.9% of the money collected. Note that absconder statistics are not reported in these statistics.

There were 4,948 individuals added to the active standard probation population in FY 2017. During the fiscal year, 17,910 individuals were terminated from standard probation. On June 30, 2017, there were 41,496 active standard probationers. A total of 17,335 petitions to revoke were filed on standard probationers during FY 2017. Of all the standard probation violation matters brought back before the court, dispositions were achieved in 11,607 cases. Standard probationers paid \$51,920,105 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 30.5% of the money collected.

During FY 2017, 329 individuals were added to the active intensive probation population. Over the course of the fiscal year, 1,502 individuals were terminated from intensive probation*. At the close of the fiscal year there were 2,634 active intensive probationers. A total of 3,363 petitions to revoke were filed on intensive probationers during FY 2017. Of all the intensive probation violation matters brought before the court, 4,194 reached disposition. Intensive probationers paid \$1,759,800 in fines, restitution and other monies. Restitution accounted for 11.5% of the money collected.

*Total for individuals terminated from intensive probation does not include 829 IPS graduates.
