

COURT REVENUE

Statewide Narrative Summary

Statewide revenue data is provided here for each level of the Arizona courts. The figures were compiled from probation fee reports and the monthly revenue surveys distributed by the Supreme Court for FY 2018. Major revenue categories shown represent monies collected from four sources:

- **FINES, SANCTIONS, FORFEITURES:** Revenue from monetary penalties assessed in criminal, traffic, and juvenile matters, and bond monies that were forfeited;
- **SURCHARGES:** Revenue from monetary assessments authorized by statute above and beyond criminal and traffic penalties and certain civil and other fees;
- **FEES:** Revenue from collectible fees for services of the court and chargeable aspects of case processing; and,
- **OTHER REVENUE:** Revenue from sources not otherwise specified.

Total revenue collected by the Arizona courts increased slightly by 1%, from \$344,491,690 in FY 2017 to \$347,798,213 in FY 2018.

Statewide, the courts collected \$110,258,533 in fines, sanctions, and bond forfeitures during FY 2018, down 1.3% from the \$111,698,280 collected in FY 2017. Revenue from the fines category accounts for 31.7% of the total revenue collected statewide. Fee revenue increased by 3.2% from \$162,538,266 in FY 2017, to \$167,620,547 in FY 2018. Revenue collected from court fees makes up the largest portion of statewide revenue with 48.2% of the total. Revenue collected from court surcharges, which accounts for 19.7% of the total court revenue, decreased 0.4% from \$68,849,217 in FY 2017 to \$68,586,717 this FY 2018.

The revenue distribution summary shows that FY 2018 court revenue, as in previous years, is distributed fairly evenly among the state, counties, and municipalities (23.2% - 42.6%), and that Municipal Courts generate a little under half of all court revenue (\$147,548,255 or 42.4%). The Arizona courts processed \$112,144,005 in "pass-through" trust monies, of which restitution accounted for \$17,955,800 of the total. The majority of trust monies collected was in "Bail Bonds" which represented 54.3% of the total.

The establishment of a central support payment clearinghouse to receive, disburse and monitor support payments pursuant to title IV-D of the Social Security Act, which started to take effect in FY 1998, has moved all child support payments from the courts to the Department of Economic Security. The courts collected \$8,840,808 in child support during FY 2018, a 7.5% decrease from FY 2017.

Some of the FY 2017 figures may not correspond to figures published in last year's Data Report due to corrected information received subsequent to publication of the Report. Revenue reports received from courts are checked for mathematical accuracy, but are not audited by the Supreme Court.
