

ADULT PROBATION Narrative Summary

There are two pages of tables for statewide and county adult probation activity. The first page includes Standard and Intensive Adult Probation Case Activity and Probationers with Petitions to Revoke. The second table summarizes Community Restitution Hours, Monetary Collections and Probation Reports. Note that absconder statistics are not reported in these statistics.

Direct adult probationers are the number of probationers sentenced in Superior or Limited Jurisdiction Courts residing in each county for whom direct supervision is being provided. Probationers indirectly supervised by each county are not counted because these probationers may already be counted in other counties and would cause these probationers to be double counted for statistical purposes.

There were a total of 21,813 individuals added to the active standard and intensive probation population during FY 2019. At the end of FY 2019, there were 43,754 active standard and intensive probationers. A total of 21,741 petitions to revoke were filed during the fiscal year. Of all the probation violation matters brought back before the court in FY 2019, dispositions were achieved in 16,110 cases. Standard and intensive probationers paid \$37,113,572 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 31.4% of the money collected. Note that absconder statistics are not reported in these statistics.

There were 20,533 individuals added to the active standard probation population in FY 2019. During the fiscal year, 19,612 individuals were terminated from standard probation. On June 30, 2019, there were 41,336 active standard probationers. A total of 18,707 petitions to revoke were filed on standard probationers during FY 2019. Of all the standard probation violation matters brought back before the court, dispositions were achieved in 12,496 cases. Standard probationers paid \$34,046,920 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 34.0% of the money collected.

During FY 2019, 1,280 individuals were added to the active intensive probation population. Over the course of the fiscal year, 1,486 individuals were terminated from intensive probation.* At the close of the fiscal year there were 2,418 active intensive probationers. A total of 3,034 petitions to revoke were filed on intensive probationers during FY 2019. Of all the intensive probation violation matters brought before the court, 3,614 reached disposition. Intensive probationers paid \$3,066,652 in fines, restitution and other monies. Restitution accounted for 2.5% of the money collected.

*Total for individuals terminated from intensive probation does not include 694 IPS graduates.

Notes:

* Collections: A percentage change comparison between the reported years is not applicable for these key numbers, as issues with AJACS implementation has hindered the ability of all 15 clerks' offices to report complete financial data. Within any given year, the number of clerks' offices able to report financial data has varied. The Division is working toward resolving the financial reporting issues for the future.
