

ADULT PROBATION

Narrative Summary

There are two pages of tables for statewide and county adult probation activity. The first page includes Standard and Intensive Adult Probation Case Activity and Probationers with Petitions to Revoke. The second table summarizes Community Restitution Hours, Monetary Collections and Probation Reports. Note that absconder statistics are not reported in these statistics.

Direct adult probationers are the number of probationers sentenced in Superior or Limited Jurisdiction Courts residing in each county for whom direct supervision is being provided. Probationers indirectly supervised by each county are not counted because these probationers may already be counted in other counties and would cause these probationers to be double counted for statistical purposes.

There were a total of 20,434 individuals added to the active standard and intensive probation population during FY 2020. At the end of FY 2020, there were 44,617 active standard and intensive probationers. A total of 21,112 petitions to revoke were filed during the fiscal year. Of all the probation violation matters brought back before the court in FY 2020, dispositions were achieved in 7,540 cases. Standard and intensive probationers paid \$38,016,213 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 29.7% of the money collected. Note that absconder statistics are not reported in these statistics.

There were 19,137 individuals added to the active standard probation population in FY 2020. During the fiscal year, 18,728 individuals were terminated from standard probation. On June 30, 2020, there were 41,965 active standard probationers. A total of 17,896 petitions to revoke were filed on standard probationers during FY 2020. Of all the standard probation violation matters brought back before the court, dispositions were achieved in 5,793 cases. Standard probationers paid \$37,474,944 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 29.9% of the money collected.

During FY 2020, 1,297 individuals were added to the active intensive probation population. Over the course of the fiscal year, 1,336 individuals were terminated from intensive probation*. At the close of the fiscal year there were 2,652 active intensive probationers. A total of 3,216 petitions to revoke were filed on intensive probationers during FY 2020. Of all the intensive probation violation matters brought before the court, 1,747 reached disposition. Intensive probationers paid \$541,269 in fines, restitution and other monies. Restitution accounted for 15.4% of the money collected.

*Total for individuals terminated from intensive probation does not include 935 IPS graduates.

Notes:

* Collections: A percentage change comparison between the reported years is not applicable for these key numbers, as issues with AJACS implementation has hindered the ability of all 15 clerks' offices to report complete financial data. Within any given year, the number of clerks' offices able to report financial data has varied. The Division is working toward resolving the financial reporting issues for the future.

Arizona Supreme Court, Adult Probation Services Division

* Standard Cases = Direct Standard, Limited Jurisdiction, Absconder less than 90 days old and Direct Standard subsets (Incoming Intercounty Transfers , Incoming Interstate Compact, Sex Offenders, and DV ARS 13-3601.01). AOC, APSD has adopted practices to give additional supervision credit to some specialty populations for funding and reporting purposes. Credit for dangerous crimes against children wGPS are given against a ratio of 3 to 1 (3:1). Credit for Standard and Intensive Reentry 90 day Pre Release are given at a ratio of 1 to 1 (1:1). Please see Administrative Order No. 2006-90 and Administrative Directive No. 2011-41 (F). Standard cases are considered by the legislature for funding purposes in all counties but Maricopa, where probation supervision is county funded.
