

ADULT PROBATION

Narrative Summary

There are two pages of tables for statewide and county adult probation activity. The first page includes Standard and Intensive Adult Probation Case Activity and Probationers with Petitions to Revoke. The second table summarizes Community Restitution Hours, Monetary Collections and Probation Reports. Note that absconder statistics are not reported in these statistics.

Direct adult probationers are the number of probationers sentenced in Superior or Limited Jurisdiction Courts residing in each county for whom direct supervision is being provided. Probationers indirectly supervised by each county are not counted because these probationers may already be counted in other counties and would cause these probationers to be double counted for statistical purposes.

There were a total of 22,020 individuals added to the active standard and intensive probation population during FY 2023. At the end of FY 2023, there were 42,832 active standard and intensive probationers. A total of 20,862 petitions to revoke were filed during the fiscal year. Of all the probation violation matters brought back before the court in FY 2023, dispositions were achieved in 15,258 cases. Standard and intensive probationers paid \$33,930,751 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 34.7% of the money collected. Note that absconder statistics are not reported in these statistics.

There were 20,686 individuals added to the active standard probation population in FY 2023. During the fiscal year, 15,875 individuals were terminated from standard probation. On June 30, 2023, there were 40,238 active standard probationers. A total of 17,656 petitions to revoke were filed on standard probationers during FY 2023. Of all the standard probation violation matters brought back before the court, dispositions were achieved in 11,522 cases. Standard probationers paid \$33,652,352 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 34.9% of the money collected.

During FY 2023, 1,334 individuals were added to the active intensive probation population. Over the course of the fiscal year, 1,167 individuals were terminated from intensive probation*. At the close of the fiscal year there were 2,594 active intensive probationers. A total of 3,206 petitions to revoke were filed on intensive probationers during FY 2023. Of all the intensive probation violation matters brought before the court, 3,736 reached disposition. Intensive probationers paid \$278,399 in fines, restitution and other monies. Restitution accounted for 14.7% of the money collected.

*Total for individuals terminated from intensive probation does not include 822 IPS graduates.

** Counties converted to the new AZPROS Case Management System on April 29, 2024 were given a calculated population average value for the months of May and June 2024 (Coconino, Gila, Pinal, and Santa Cruz).

Notes:

* Collections: A percentage change comparison between the reported years is not applicable for these key numbers, as issues with AJACS implementation has hindered the ability of all 15 clerks' offices to report complete financial data. Within any given year, the number of clerks' offices able to report financial data has varied. The Division is working toward resolving the financial reporting issues for the future.

Arizona Supreme Court, Adult Probation Services Division
