

JUVENILE COURT AND PROBATION

Narrative Statewide Summary for FY 2024

The report includes sixteen tables: one for the state and one for each of the fifteen counties. Each table spans three pages, with each page representing a section: a) Juvenile Referral Summary; b) Juvenile Petition Summary; and c) Probation, Detention & Community Service Activities.

Juvenile Referrals

In the Juvenile Referral Summary section, there are two types of referrals: delinquent and corrigible. Referral types are mutually exclusive for referrals, but not for juveniles. A juvenile can have both a delinquent and a corrigible referral. Because the total number of juveniles is merely a summation across the referral types, the total number may contain duplicate counts of persons. Unduplicated counts of juveniles can be found in the Arizona Juvenile Court Counts report, published by the Juvenile Justice Services Division, AOC.

Statewide, there were 23,142 referrals filed involving 17,663 juveniles in fiscal year (FY) 2024. This is an increase from 21,346 referrals involving 16,534 youths in the previous FY. This represents an 8.4% increase in filed referrals and a 6.8% increase of referred juveniles. Subtracting the 2,684 referrals for "incurability" (i.e., those involving "status" offenses such as truancy, curfew, or being "beyond control" of parents), there were 20,458 delinquent referrals. Among these remaining delinquent referrals, 10,607 (51.8%) were for (a) offenses against property (2,504 misdemeanors, 1,949 felonies) and (b) violations of the "peace" (6,154, e.g., disturbing by disorderly conduct or loitering).

Juvenile courts in FY 2024 disposed of 22,067 referrals, compared to 20,164 referrals in FY 2023, an increase of 9.4%.

Juvenile Petitions

The Juvenile Petition Summary, which represents the intervention by the criminal justice system, includes counts of petitions filed and juveniles petitioned (the latter figures also appear on Superior Court tables as part of their caseload). The total number of juveniles petitioned may include duplicated counts, as a juvenile can have both a delinquent and an incorrigible petition in the same time period. An unduplicated count can be found in juveniles processed in the Arizona Juvenile Court system.

Statewide, there were 8,334 petitions filed involving 5,657 juveniles during FY 2024, an increase of 10.7%, contrasted with 7,528 petitions on 5,172 youths in FY 2023. This year, juvenile court disposed of 7,555 petitions compared to 6,908 petitions last year, an increase of 9.4%. Adjudication is the primary disposition of juvenile court petitions (70.2% of petitions, 58.9% of youths this year).

Probation, Detention & Community Service Activities

This year, 4,873 new probationers were added to the caseload (up 14.6% from the 4,253 added during FY 2023) and 2,447 juveniles had their probations terminated (up 7.4% from the 2,279 terminated last year), resulting in a 22.9% increase in juvenile probationers by the end of FY 2024 (1,974 to 2,426). The total days youths spent in detention increased 4.1% from 92,284 in FY 2023 to 96,078 in FY 2024. Community service hours performed during the fiscal year by the youths increased from 67,794 in FY 2023 to 90,708 in FY 2024, an increase of 33.8%.
