

ADULT PROBATION Narrative Summary

There are two pages of tables for statewide and county adult probation activity. The first page includes Standard and Intensive Adult Probation Case Activity and Probationers with Petitions to Revoke. The second table summarizes Community Restitution Hours, Monetary Collections and Probation Reports. Note that absconder statistics are not reported in these statistics.

Direct adult probationers are the number of probationers sentenced in Superior or Limited Jurisdiction Courts residing in each county for whom direct supervision is being provided. Probationers indirectly supervised by each county are not counted because these probationers may already be counted in other counties and would cause these probationers to be double counted for statistical purposes.

There were a total of 22,020 individuals added to the active standard and intensive probation population during FY 2025. At the end of FY 2025, there were 48,266 active standard and intensive probationers. A total of 24,758 petitions to revoke were filed during the fiscal year. Of all the probation violation matters brought back before the court in FY 2025, dispositions were achieved in 19,141 cases. Standard and intensive probationers paid \$19,810,856 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 37.8% of the money collected. Note that absconder statistics are not reported in these statistics.

There were 20,686 individuals added to the active standard probation population in FY 2025. During the fiscal year, 18,562 individuals were terminated from standard probation. On June 30, 2025, there were 45,588 active standard probationers. A total of 21,596 petitions to revoke were filed on standard probationers during FY 2025. Of all the standard probation violation matters brought back before the court, dispositions were achieved in 15,401 cases. Standard probationers paid \$19,615,521 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 38.0% of the money collected.

During FY 2025, 1,334 individuals were added to the active intensive probation population. Over the course of the fiscal year, 1,348 individuals were terminated from intensive probation*. At the close of the fiscal year there were 2,678 active intensive probationers. A total of 3,162 petitions to revoke were filed on intensive probationers during FY 2025. Of all the intensive probation violation matters brought before the court, 3,740 reached disposition. Intensive probationers paid \$195,335 in fines, restitution and other monies. Restitution accounted for 24.6% of the money collected.

* Total for individuals terminated from intensive probation does not include 1044 IPS graduates.

** Counties converted to the new AZPROS Case Management System on April 29, 2024 were given a calculated population average value for the months of May and June 2024 (Coconino, Gila, Pinal, and Santa Cruz).

	Predisposition Report	2,170		

Notes:

* Collections: A percentage change comparison between the reported years is not applicable for these key numbers, as issues with AJACS implementation has hindered the ability of all 15 clerks' offices to report complete financial data. Within any given year, the number of clerks' offices able to report financial data has varied. The Division is working toward resolving the financial reporting issues for the future.

Arizona Supreme Court, Adult Probation Services Division

* Standard Cases = **Direct** Standard, Limited Jurisdiction, Absconder less than 90 days old and Direct Standard subsets (Incoming Intercounty Transfers , Incoming Interstate Compact, Sex Offenders, and DV ARS 13-3601.01). Standard cases are considered by the legislature for funding purposes in all counties but Maricopa, where probation supervision is county funded.

With the exception of Maricopa County, credit for dangerous crimes against children wGPS are given against a ratio of 3 to 1 (3:1). Credit for Standard and Intensive Reentry 90 day Pre Release are given against a ratio of 1 to 1 (1:1). Credit for Standard Reentry 6 month Post Release are given against a ratio of 2 to 1 (2:1). Please see Administrative Order No. 2006-90 and Administrative Directive No. 2011-41 (F). Standard cases are considered by the legislature for funding purposes in all counties but Maricopa, where probation supervision is county funded.

** Counties converted to the new AZPROS Case Management System during the Fiscal Year 2025 were given a calculated population average values for those months. Except for Maricopa County, all counties have now been converted.
