

Annual Conference
Arizona Family Support Council
Save the Date – Participate!

We are very excited to offer another exceptional and educational opportunity this year! First, the Arizona Family Support Council Annual Conference is coming soon and it's been crafted to be both informative and fun! Presentations regarding favorite topics such as *"Top Five Best Practices for Establishing and Other Useful Information Every Family Court Lawyer Must Know,"* and the ever-entertaining case law update and legislative review will be featured presentations! New this year are topics regarding different perspectives on the equitable defense of laches and how it relates to child support, how a private investigator finds "hidden assets," an update regarding the on-going child support guidelines quadrennial review, and the potential impact of the Affordable Health Care Act and its effect on child support orders. This year's agenda promises to expand your insights surrounding child support issues at very little cost.

Second, here's your chance to become part of the Arizona Family Support Council. We need your expertise! Due to retirements and life changes there are openings on the Council and Board and we would welcome new Council members. If you want to participate in planning the next annual conference (you can be a moving force or a behind-the-scenes person), please email Comm. Myra Harris at mharris@superiorcourt.maricopa.gov. More information regarding the Council and Board will be discussed at a special Council meeting, at which any interested individuals are welcome, to be held on September 12, from noon to 1:30 p.m. at Fresh Start Women's Resource Center located at 1130 E. McDowell Road. A teleconference number will be provided to anyone who would like to attend telephonically.
