# Remove an Apostrophe from a Firm Name

A submission cannot be processed by the court's case management system if the filing attorney is registered in AZTurboCourt as part of an organization whose name contains an apostrophe.

Follow the steps below to remove the apostrophe from the firm's name in the organization's profile:

1. Log in to AZTurboCourt account as a firm administrator. From the main screen, select 'My Organization' from the User Menu on the left-hand side.

2. Select the 'Edit Organization Info' tab.

3. Remove the apostrophe from the firm name. Select 'Save'.
