**Description of Experiential Learning**

Experiential learning activities are completed by the student through a format such as an internship, externship or clinical experience during which students develop knowledge, skills, and values from direct experiences outside a traditional academic setting. Placements must include an advocacy component; course content or supervised practical experience that demonstrates and develops skills associated with conducting court hearings and trials, administrative hearings, mediation and arbitration, and settlement or plea negotiations.

Such experience **does not** include routine clerical or administrative duties, or the preparation of legal documents for an entity or member of the public engaged in self-representation.

Brief summary of student's experiential learning:

**Certification Statement**

I hereby attest that the above-named student has completed experiential learning that meets the requirements for experiential learning as defined by ACJA § 7-210 and totaling no less than 3 credits or 120 hours.
