Pursuant to Rule 28, Rules of the Arizona Supreme Court, the Attorney Regulation Advisory Committee (ARC), respectfully submits this comment in support of the above-referenced proposed rule amendments.

ARC previously voted to support the changes recommended in this petition originally filed in 2016. At the March 14, 2018 meeting, ARC reaffirmed support of this proposed petition as it reinforces the ethical responsibilities of lawyers and outlines any exceptions to those rules, particularly with clients involved in conduct that is criminal or fraudulent in nature.

ARC respectfully requests the Supreme Court to adopt modifications to ER 1.2  
as proposed.

RESPECTFULLY SUBMITTED this \_\_\_\_\_ day of April 2018.
