

EXCELLENCE IN EDUCATION AWARDS

Have you experienced outstanding training this year? Let your educator know how much you appreciate them by filling out a form to nominate them as the educator or curriculum developer of the year. Nominees must be court employees.

The Committee on Probation Education recognizes individuals, two-person teams, and groups of trainers and curriculum developers who provide excellent training to detention, probation, and surveillance officers. Categories for which instructors may be nominated are detention, defensive tactics, firearms, and probation. These instructors will be recognized at the Arizona Chief Probation Officer Association recognition luncheon.

Recognize great instructors!

Thank a trainer!
