

SCHOLARSHIP FUNDS AVAILABLE!

The Arizona Supreme Court and the Administrative Office of the Courts is pleased to announce scholarship funds are still available for direct financial assistance for attendance at National Judicial College (NJC) programs.

Available funds shall be used in order of the following priorities, pursuant to ACJA§ 1-302.M:

1. Newly elected or appointed judges seeking to attend suitable comprehensive national judicial education program
2. Judges and court personnel who have complied with the education standards but have been unable to attend a suitable comprehensive national judicial education program within the first two years of taking office
3. Judges and court personnel who have complied with the education standards and who last attended a national judicial education program three or more years
4. Judge and court personnel seeking to attend seminars and educational conferences applicable to the judicial responsibilities and jurisdictional level who comply with educational standard
5. Where an urgent or critical need exists, a judge may be considered for assistance more than once during the same year, assuming funds are available

In addition, priority will be given to:

1. Judges to attend programs that provide critical information to assist in achieving the goals of "Advancing Justice Together: Courts & Communities", the Strategic Agenda for Arizona's Courts.
(<http://www.azcourts.gov/portals/0/AdvancingJusticeTogetherSA.pdf>).
2. Judges who, due to their assignments, require training in specialized areas.
3. Judges who serve on a full-time basis.

Judges who attend NJC programs through scholarship from the Supreme Court may be asked to serve as faculty and/or subject matter experts in this field at future Arizona judicial educational programs.

The AOC Education Services Division will receive and process requests for use of the scholarship funds. Funds will ***only apply for tuition and conference fees***. Costs for transportation, lodging and food are the responsibility of the attendee.
