## **Superior Court Statewide eFiling Now Available Through eFileAZ**

PHOENIX – The Arizona Supreme Court is pleased to announce that eFiling through the vendor eFileAZ is now available in the Superior Court in all Arizona counties. Those filing electronically now have a choice of two eFiling applications: eFileAZ or AZTurboCourt. eFiling has expanded through the trial and appellate courts in Arizona and continues to improve in terms of options and availability.

The eFileAZ application is easy to navigate and offers the following: Use one email address for multiple accounts, easily manage your organization's or individual account, set up proxy accounts, complete electronic service, and many other user-friendly features.

AZTurboCourt remains an approved eFiling application in Arizona and both applications include the ability to electronically file civil case initiating and subsequent documents in all but one county in Arizona. Electronic case initiation is not yet available for the Superior Court in Maricopa County, but eFiling after the civil case is initiated is available through eFileAZ or AZTurboCourt.

For information on how to register and use eFileAZ, visit [www.azcourts.gov/efilinginformation/training](http://www.azcourts.gov/efilinginformation/training) or contact the Administrative Office of the Courts' Support Center by calling 602-452-3519 or 800-720-7743.
