FILED 09/26/2012

The Court has received the Certification Order in Case No. 11-15046 asking "When did Seltzer's contract and bad faith claims accrue?" Because this question appears not to raise a purely legal issue, but rather to involve the application of the law to the facts, in the exercise of the Court's discretion, the Court declines to accept review of the certified question. See A.R.S. § 12-1861; Ariz. R. Sup. Ct. 27(a)(3)(A), (b)(1).
