O R D E R

The State Bar and Disciplinary Clerk have filed their statements of costs and expenses. Respondent filed an objection requesting an adjustment in the assessment on the grounds that she should not be responsible for the added expense of a full evidentiary hearing when she was willing to settle the matter prior to the hearing and the outcome of the hearing was consistent with this offer of settlement. Considering Respondent's objections and the State Bar's response, accordingly,

IT IS ORDERED that pursuant to Rule 60(b), Rules of the Supreme Court, the State Bar of Arizona is granted judgment against DONNA PLATT for costs and expenses of the disciplinary proceedings in the amount of \$600.00, together with interest at the legal rate from the date of this judgment. This amount represents the general administrative expense that is imposed when a matter is resolved by a consent agreement.

DATED this _____ day of December, 2009.
