Arizona Superior Court, Pima County COVID-19 and Court Services - Updated Guidance (Issued March 23, 2020)

PIMA COUNTY, AZ. – In the ongoing effort to limit potential exposure to the Coronavirus and to promote social distancing, the Arizona Superior Court in Pima County is further modifying court operations to ensure the health and safety of all who work for the court as well as court users, while providing essential justice services to the community.

As the Court works to maintain the balance of critical services provided for under the Constitution for those who need protective orders, those who have emergencies, and those in jail awaiting arraignment or sentencing, we ask the public to follow the guidelines below.

- Attorneys, persons representing themselves, or witnesses should contact the assigned [Judicial Division](#) or case-associated counsel before traveling to the courthouse for a scheduled court hearing.
 - Most non-essential hearings have been postponed or will be held by alternate means.
- Delay all discretionary, non-essential proceedings, including but not limited to:
 - Name Changes
 - Marriage Licenses, Divorces
 - Passport Applications
 - Legal Records searches (records services may be available [online](#), via [correspondence](#), or by calling 520-724-3240)
- Do NOT come to court if you are ill.
- Do NOT bring your children to court if they are ill.
- Notify court security staff of any suspected COVID-19 exposure or symptoms (fever, tiredness, dry cough) before entering the courthouse.

Further updates will be provided on the Pima County Superior Court [website](#) as available. Please check www.sc.pima.gov regularly for the latest information.
