The Administrative Office of the Courts is leading an effort referred to as the Crossover Youth Practices Model (CYPM) to encourage better collaboration among child welfare agencies, juvenile courts and probation departments, behavioral health providers, schools, and law enforcement. One of the program’s objectives is to identify youth who are likely to become involved in one or more of the systems serving juveniles, called crossover youth. This effort will lead to better-coordinated services, reduced recidivism, and better outcomes for these at-risk youth.

The ability to share data and information is essential to meeting the goals of the CYPM. The establishment of a Task Force on data and information sharing is necessary for improving on current CYPM practices, identifying and minimizing barriers related to data and information sharing, and implementing a statewide rollout of a CYPM.

Therefore, pursuant to Article IV, Section 3, of the Arizona Constitution,

IT IS ORDERED that:

1. The Task Force on Crossover Youth Data and Information Sharing is established.
2. Purpose: The Task Force shall:
  - a. Identify the data and information that is required to be shared among and between agencies that will allow an improved collaborative approach to managing crossover youth cases;
  - b. Determine what information currently can be shared pursuant to state and federal laws and regulations.
  - c. Identify barriers to sharing of the data and information; and
  - d. Make recommendations on how data and information sharing barriers can be resolved or mitigated.

3. The Task Force shall make recommendations to the Committee on Juvenile Courts by September 1, 2017.
4. Membership: The individuals listed in Appendix A are appointed as members of the Task Force, beginning upon entry of this Order, and ending September 1, 2017. The Chief Justice may appoint additional members as may be necessary.
5. Meetings: The Task Force shall meet as necessary, and meetings may be scheduled, cancelled, or moved at the discretion of the Task Force chair. All meetings shall comply with the public meeting policy of the Arizona Judicial Branch, Arizona Code of Judicial Administration §1-202.
6. Administrative Support: The Administrative Office of the Courts shall provide staff to assist and support the Task Force.

Dated this 17th day of August, 2016.
