Administrative Order  
No. 94- 63

On September 2, 1994, the Supreme Court issued Administrative Order 94-45 ordering Judge Robert R. Bean, Presiding Judge of the Superior Court in Pinal County, to take such steps as were necessary to insure the independent and proper operation of the Apache Junction Municipal Court. The order was issued as a result of a Supreme Court operational review and other investigations that uncovered possible irregularities with the operations of the court.

The operational review is nearing completion. Findings from the review, coupled with continued operational and administrative problems in the court, require additional action. THEREFORE,

IT IS ORDERED that Administrative Order 94-45 is amended to this extent: Judge Alex Harris, Apache Junction Municipal Court judge, is hereby reassigned to perform duties under the supervision of Robert R. Bean, Presiding Judge of the Superior Court in Pinal County. All other portions of Administrative Order No. 94-45 remain in full force and effect. Judge Bean is authorized to issue any other orders necessary or convenient to insure the integrity and continued operation of Apache Junction Municipal Court.

DATED this 31<sup>st</sup> day of October, 1994.
